Application for Leave to Intervene

Pursuant to A.A.C. R14-3-105, CellNet Data Systems, Inc. respectfully applies for an order granting leave to intervene in the above captioned proceeding.

CellNet will be directly and substantially affected by the proceedings because CellNet is a potential supplier of metering services to energy services providers in Arizona Public Service's distribution service territory, and the manner in which the above-captioned proceeding is carried out is likely to have a significant effect on the manner in which CellNet may provide such services.

The granting of CellNet's application for leave to intervene will not cause the issues to be unduly broadened, except upon leave of the Commission first had and received.

CellNet requests that communications in connection with the above captioned proceedings be sent to:

Andrew Madden  
CellNet Data Systems, Inc.
